

In 2015 The Freedom Programme Charitable Trust will provide the Freedom Programme in the form of a free two day workshop for men who have survived abuse by other men. For example;

- Men who were abused as children by experiencing Domestic Violence
- Survivors of Child Sexual Abuse
- Survivors of same sex abuse from a male partner or former partner

The venue will be in Leigh Lancashire and the date will be confirmed when we receive sufficient bookings.

Prior to the course each man will be expected to purchase the books Living with the Dominator and the Freedom Programme Home Study Course before they attend. They must bring their completed Home Study Course to the event.
